Sharing is Caring

Referring your friends and family is the greatest compliment anyone can give us! In appreciation, we have started an exciting new program to show you how much we care!

Sharing is Caring

We hope that the care you receive from The Comprehensive Dental Group of Houston and Dr. Gervais will inspire you to share us with your friends and family. Our practice continues to grow because of the referrals of caring patients like you. We wanted to do something different from the usual referral programs so we established the Sharing is Caring program to thank you and give back to our community at the same time!

If you have any questions about the program, give us a call at 713-772-2111.

Our staff supporting Susan's Rally 2010

How the program works

1. Write your name and address on the referral certificate that is attached.
2. Give it to a friend, family, co-worker, or neighbor who has never been to our practice before.
3. When they redeem the certificate, we will donate \$20 to the charity of your choice. We have five wonderful charities that you can choose from. We will also send you a thank you card letting you know the money has been donated in your name.

Be sure to check the appropriate box on the certificate to the right before you cut on the dotted line and give it to your family and friends. Also, feel free to ask for more referral certificates! There is no limit on how many donations we will make!

For every person that you refer, we will donate \$20 to one of the five charities listed below! Please check the appropriate box.

- Ronald McDonald House**
(Serves families with children undergoing treatment for cancer and life-threatening illnesses)
- Susan's Rally**
(The Fight Against Breast Cancer)
- Houston Area Women's Shelter**
(Ending Domestic and Sexual Violence)
- Special PALS Shelter**
(No kill animal shelter)
- Houston Food Bank**
(Fight against hunger)
